Songs & More

Fish in the Sea

Tune: The Wheels on the Bus

The fish in the sea go swish, swish, swish

Swish, swish, swish, swish, swish, swish

The fish in the sea go swish, swish, swish

All day long

Additional verses:

The dolphins in the sea swim round and round

The sand in the sea drifts down, down, down

The waves on the sea go up and down

Water on my Toes

Tune: If You're Happy and You Know it

There's water on my toes, on my toes

There's water on my toes, on my toes

There's water on my toes, why do you suppose

There's water on my toes, on my toes

There's water on my knee…it is plain to see

There's water on my tummy...isn't it so funny

There's water on my head...oh, how I dread

Where is Baby?

Where is baby? Where is baby?

There you are! There you are!

I'm so glad to see you!

I'm so glad to see you!

Peekaboo! Peekaboo!

5 Little Seashells

Five little seashells lying on the shore,

Swish went the waves, and then there were four.

Four little seashells, cozy as could be,

Swish went the waves, and then there were three.

Three little seashells, all pearly new,

Swish went the waves, and then there were two.

Two little seashells, lying in the sun,

Swish went the waves, and then there was one.

One little seashell, left all alone,

I whispered "Shhh" as I took it home.

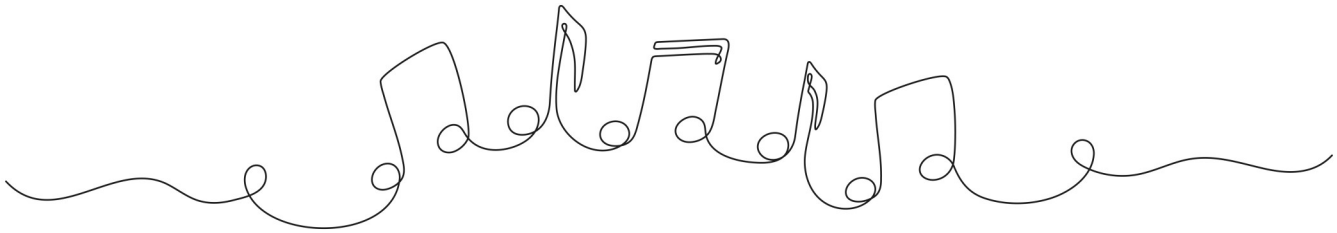
Every Child Ready to Read Skill

Singing

Singing helps break language down into smaller sounds and helps children develop listening skills and hear the rhythms and rhymes of language. It also helps to provide a sense of security through familiar songs.

- Use songs to soothe and to play
- Use songs in routines like bedtime or feeding



Resource Shoutout

Head Start

Head Start is an income-based early child development and preschool program with full-day pre-k classes. Head Start increases the school readiness of children ages 3 to 4 years old.

Head Start encourages families to apply January through May prior to the start of the school year but accepts applications throughout the year.
