# Songs & More

## Zoom, Zoom, Zoom!

Zoom, zoom, zoom! We're going to the moon  
Zoom, zoom, zoom! We're going to the moon  
If you want to take a trip  
Climb aboard my rocket ship  
Zoom, zoom, zoom! We're going to the moon  
In 5, 4, 3, 2, 1 BLAST OFF!

### *Additional verses:*

Fun, fun, fun! We're going to the sun  
Far, far, far! We're going to the stars

## I Have a Friend

*Tune: Skip to my Lou*

I have a friend yes I do, (x3)  
I'll be friends with you.  
Jiggle like jelly yes I will, (x3)  
'Cause I can't sit still.  
Climb a ladder, oh so high, (x3)  
'Til I touch the sky.

## The Airplane

The airplane has great big wings.  
Its propeller spins round and sings.  
The airplane goes up.  
The airplane goes down.  
The airplane flies around the town!

## High, Low, Around We Go

We clap up high, we clap down low,  
We jump, jump, jump, and around we go.  
Up and down, up and down,  
Clap your hands and turn around.  
Up and down, up and down,  
Clap your hands and sit right down.

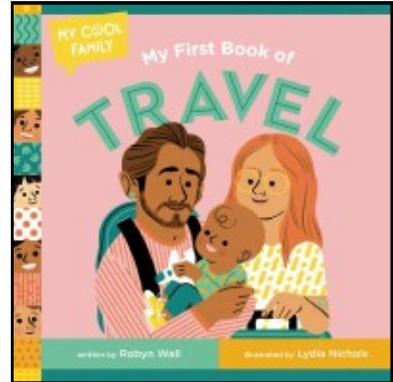

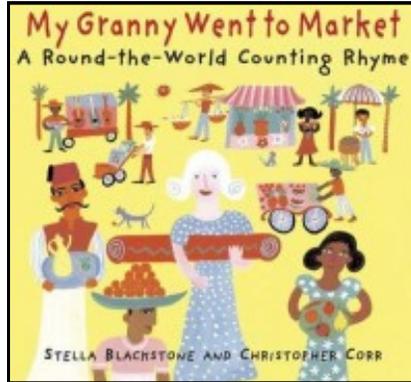

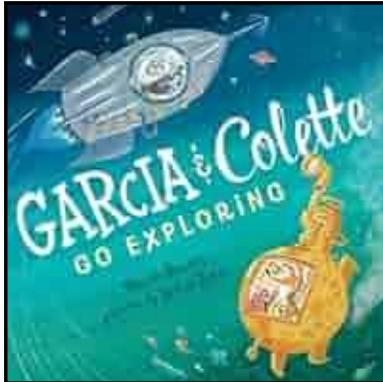

# Books Read Today

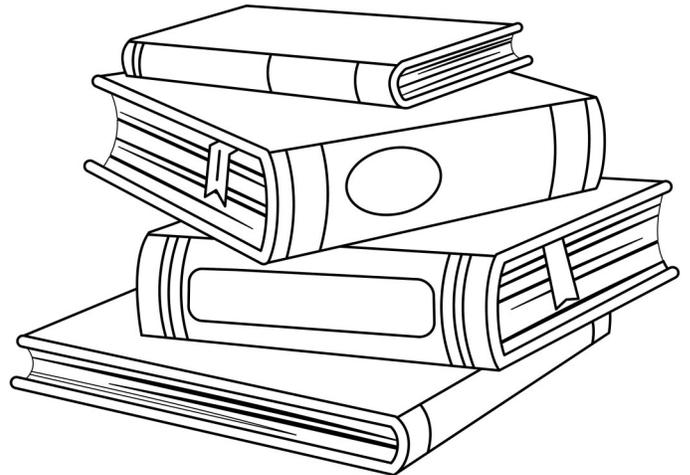

Garcia & Colette Go Exploring By Hannah Rodgers Barnaby

My Granny Went to Market By Stella Blackstone

My First Book of Travel By Robyn Wall

# Every Child Ready to Read Skill

## Talking

Try to remember to make good eye contact with your child when you speak to them. Babies and young children love to have your attention and getting it will encourage them to keep communicating with you. Another way to teach good communication skills is by taking turns. It can be hard to wait for a toddler to finish a thought, but try to give them the opportunity to finish speaking rather than jumping in to speed things up. This will build their confidence in their own ability to communicate.

## Resource Shoutout

This service provides caregivers with free developmental screenings.

Families can complete an Ages and Stages Questionnaire online. The ASQ helps explore development across the following areas:

Communication, Social-Emotional, Fine Motor, Gross Motor, Cognitive/Problem Solving
