# Songs & More

## **We're Going to the Beach!**

*Tune: The Farmer in the Dell*

We're going to the beach,

We're going to the beach,

Heigh-ho away we go,

We're going to the beach.

*Additional verses:*

We're digging in the sand

There's seashells on the shore

We're splashing in the water

Ice cream on the way

## **Beach Song**

*Tune: The Wheels on the Bus*

The sun at the beach is shining bright,

Shining bright, shining bright,

The sun at the beach is shining bright,

All through the day!

*Additional verses:*

The waves on the sea come rolling in

The crabs near the rocks go pinch, pinch, pinch

The sand underfoot goes crunch, crunch, crunch

The kids at the seashore splash and play

## **Elevator Song**

*Tune: Do Your Ears Hang Low?*

Oh, the city is great, and the city is grand,

There are many tall buildings on a little piece of land,

And we live way up on the 57th floor,

And this is what we do when we go out the door.

We take the elevator up and the elevator down,

take the elevator up, take the elevator down,

Take the elevator up and the elevator down,

And we turn around!

## **Weather Bounce**

*Tune: London Bridge*

How the rain comes falling down,

falling down, falling down.

How the rain comes falling down, on a rainy day.

*Additional verses:*

Feel the way the wind does blow...on a windy day

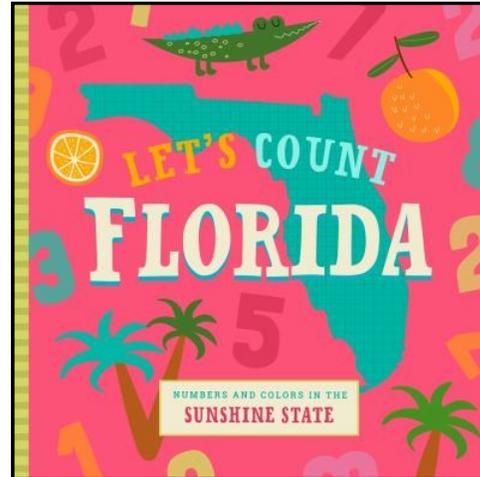

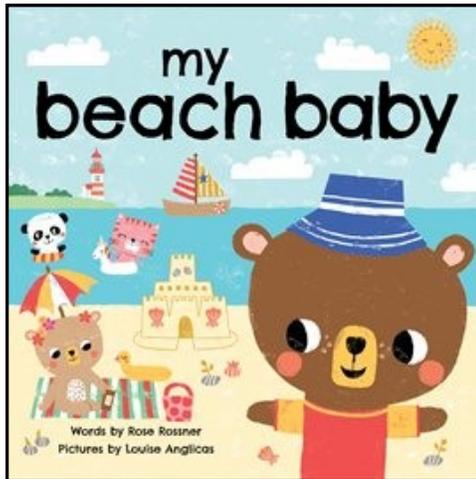

We move slowly when it's hot...on a hot, hot day.

Snuggle up when it's cold...on a cold, cold day.

# Every Child Ready to Read Skill

## Talking

When babies hear words and language from caring adults, their brains develop the connections they'll need to learn to use language and, later, to learn how to read. Studies show that children whose parents and caregivers regularly talk and read with them develop larger vocabularies and go on to become better readers and do better in school.
